**Part number : 14A6511  
Mini Mk I Spare Wheel Clamp**

Heritage are pleased to announce the launch of 14A6511, Mini Mk I Spare Wheel clamp. This part is produced off new tooling that replicates the original, enabling customers to maintain originality when restoring the boot area of a Mk I Mini. In conjunction with 88G479, the Spare Wheel boss, this enables owners to maintain correct originality, or develop a 'Retro' look for a later model.

**The Suggested Retail Price is £13.00 , including VAT.**

Stocks of this part are available now and they can be obtained through the network of British Motor Heritage Approved Specialists.
